March 11, 2020 Meeting:

Meeting was called to order by President Brett Banker at 4:20 p.m.

- > Due to the COVID-19 virus, this meeting was to discuss the upcoming conference on March 17-20, 2020, and if we should cancel at this time.
- Alan has been in contact with other states:
 - ❖ NJ conference is still on at this point.
 - CT conference is still on at this point.
- > Vendors have not been cancelling yet, but Chris has been receiving several cancellations from conference attendees. There is a strong response that most people want to come.
- > Alan tried to contact Robert Zayas. Alan did hear that they are trying to move forward with the winter season state tournaments.
- ➤ Hotel issues: we are contracted and obligated to be liable up to or exceeding \$100,000. Only exception would be if it was declared a state of emergency out of our control and then would have a window to cancel, but the contract says within 10 days.
- > Alan feels that we need to move forward with conference

- > Denise shared that all Section I schools could close for 14 days immediately and they already have five districts closed.
- What is the number of people who would have to cancel in order to cancel the conference? We could run the conference with 200 attendees.
- > In the past when we have had to cancel, we only refunded a portion of the registration that does not include meal costs.
- > Do we video conference the LTI and general sessions?
- > Iim suggested that if the conference does get shut down by an outside agency, Brett has worked very hard on his conference. Jim suggested that the current Executive Board should be extended for another year. Or do we try to run the conference as a miniconference in September?
- > Alan thinks it would be difficult to set up a mini-conference in September due to hotel availability.
- It has been agreed that we move forward at this point with conference. More conversations will follow with logistics if more attendees start to cancel. With proper documentation, we will offer a voucher for the 2021 conference.

Meeting was adjourned at 5:00 p.m. to be reconvened on Thursday, March 12th.

March 12, 2020 Meeting:

Meeting was called to order by President Brett Banker at 4:00 p.m. to further discuss cancelling the conference.

- > A lot has transpired today. Alan was in contact with the hotel. He did come to an agreement with them. We would be responsible for \$39,000 this year with 25% of that going as a credit. Once the Governor declared no travel it was agreed with the City Center to take all of this year's money and credit us for next year and the hotel will do that for us also.
- A recommendation was made from Alan that we cancel the conference for this year and that we will contact all the attendees & exhibitors.

A motion was made to cancel the 2020 conference.

1st - Denny Fries

2nd – Mike Giruzzi

Passed

- > It was further discussed that we are not issuing refunds and we are giving credit in the form of a youcher that is good for the 2021 conference. It was also discussed that exhibitors will be reimbursed on a case-by-case basis.
- > Jim Wright felt we owe it to Brett Banker and his conference planning team to move this conference to 2021 and give him one more year of presidency. This will be discussed at the spring Executive Board meeting in May.

> Scott Sugar will notify chapter representatives about cancellation, A message will also be sent out to the attendees through Final Forms/AMP. Pete Shambo will notify LTI registrants and Larry Gillooley will notify the exhibitors.

Meeting was adjourned at 5:00 p.m.

Friday, March 27, 2020 Meeting:

We started the meeting with Robert Woodcox from Equitable Advisors.

- ➤ Robert Woodcock discussed the investment account if we go to the high point in mid-January and measure to the current low point, it is minus 10%. We have positioned ourselves well in case these situations happened.
- ➤ About 35% of what we have is exposed to equity. 10% of bonds are in the high yield category. 55% is high quality US government/US corporate. One-third of it is in the 10-yr. duration.
- ➤ We are tracking at about 5% growth rate. He was asked if he recommends that the association continuing investing money as we voted on previously. Robert suggests continuing to move forward. Jim recommended not to stop investing our money as scheduled.

The Executive Board thanked Robert for the information.

At this time President Brett Banker called the meeting to order at 2:45 p.m.

Cancellation of 2020 Conference - Alan Mallanda

- ➤ We did the right thing by cancelling. Both the City Center and hotel are not holding us to the contract.
- ➤ Jim Wright created a google doc and a message was sent out to everyone to give them the opportunity to complete the form for refunds or vouchers. Deadline to submit for a refund is March 31st. Chris will start sending out refunds after April 1st.
